The Clerk read the resolution, as follows:

H. RES. 347

Resolved, That upon adoption of this resolution it shall be in order to take from the Speaker's table the bill (H.R. 622) to amend the Internal Revenue Code of 1986 to expand the adoption credit, and for other purposes, with Senate amendments thereto, and to consider in the House, without intervention of any point of order, a single motion offered by the chairman of the Committee on Ways and Means or his designee that the House concur in each of the Senate amendments with the respective amendment printed in the report of the Committee on Rules accompanying this resolution. □ 1030

The SPEAKER pro tempore (Mr. SIMPSON). The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Texas (Mr. FROST), pending which I yield myself such time as I may consume. During consideration of this resolution, all time is yielded for the purpose of debate only.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, House Resolution 347 provides for a single motion offered by the chairman of the Committee on Ways and Means or his designee that the House concur in each of the Senate amendments with the amendment printed in the report of the Committee on Rules accompanying this resolution.

The resolution waives all points of order against consideration of the motion to concur in the Senate amendments with an amendment. It provides 1 hour of debate in the House, equally divided and controlled by the chairman and ranking member of the Committee on Ways and Means. Finally, the resolution provides that the previous question shall be considered as ordered on the motion to final adoption without intervening motion or demand for division of the question.

Mr. Speaker, the amendment to be included in the motion provided for in this resolution would amend the Internal Revenue Code to: One, provide for supplemental stimulus payments; and, two, accelerate the 25 percent individual income tax rate. It also sets forth provisions specifically applicable to business, including: One, a special depreciation allowance for certain property acquired after September 10, 2001, and before September 11, 2004; two, a temporary increase in section 179 expensing; and, three, an increased carryback period for certain losses.

The amendment extends various expiring provisions including: One, the credits for qualified electrical vehicles, work opportunity credit, and the welfare-to-work credit; and, two, provisions concerning a taxable income limit on percentage depletion for oil and natural gas produced from marginal properties, parity in the application of certain limits to mental health benefits, and the availability of medical savings accounts. The amendment also reauthorizes Temporary Assistance for Needy Families supplemental grants for population increases for fiscal year 2002, and provides special allowances for a designated "New York Liberty Zone" for the area damaged in the 9-11-2001 terrorist attacks.

Mr. Speaker, the amendment further provides a program of temporary extended unemployment compensation, establishes a displaced worker insurance credit, and amends the Workforce Investment Act of 1998, with respect to national emergency grants, to authorize grants for employment and training assistance and temporary health care coverage assistance to workers affected
